Sir:

In response to the Decision on Petition, mailed April 4, 2005, Applicants hereby file this Renewed Petition, in accordance with §1.78(a)(6), to return the claimed benefit for this application to that which was originally claimed, under 35 U.S.C. 119(e) of prior provisional application to:

Provisional Application No.: 60/121,932, filed February 26, 1999.

Applicants have also attached hereto a Substitute Amendment After Allowance that is intended to withdraw the previously requested amendment to priority, while maintaining a separate amendment to page 13 of the specification. This Renewed Petition and attached Substitute Amendment After Allowance were also been discussed with Examiner Phan and Wan Laymon in the Petitions Office on April 11, 2005. Applicants state that the entire delay between the date the claim for the benefit of the earlier application was due under paragraph (a)(5)(ii) of 37 C.F.R. §1.78 and the date this claim is filed was unintentional.

It is believed that no surcharge fee is necessary at this time, but in the event that an additional fee is required, the Commissioner is hereby authorized to charge any deficiencies in fees, or credit any overpayment, to Deposit Account No. 20-0778.
